DAY THREE

Scouts Leaders Take a Breath, Keep Moving Forward.

Sunday breakfast at 7am and then Gilwell Assembly... sound familiar? There were just a few key things on the agenda to finish up the first weekend. **Day three activities:** Troop meetings, Interfaith Worship Service(Instructional), The Leading EDGE/The Teaching

EDGE Troop presentation, Conservation Project Planning, October Sky and a closing Gilwell assembly with a change of Senior Patrol Leadership. Yes, it was a lighter day, and well deserved. **Patrols all appeared to have project plans in place and ready to finalize preparations over the break.** I know we

are all looking forward to seeing what the Patrols have prepared. See you back on **Day 4, Saturday November 4, 7am.** Please contact your Troop Guide if you have any questions about the Patrol Project or the goals you are developing for your [Wood Badge ticket](#).

Rocket Competition: correction - First Place was the Owl Patrol. Accepting the first place award pictured above is Roberto Ramos, Cubmaster, Pack 201. Previous picture was Fox Patrol member, Bryce Hanshaw, Venture Crew 5857 accepting the second place award.

A Message from your SCOUTMASTER

What a great weekend! I was very impressed with the focus and dedication of the participants and staff. Sunday was a welcomed day of a slower pace and shorter duration. We all had a chance to catch our breath and think about what is ahead. Patrol projects, ticket approvals, conservation project and more...the second weekend will prove to be a whole new set of challenges. Good luck Scouts!

BOBWHITE PATROL

DAY TWO: Bob and White, our friendly neighborhood quail, finished the first day of training. As they were about to leave the Riviera Telephone Company Dining Hall, they realized Swipper the fox had taken their woggle. They waited until the dining hall was all quiet and retrieved their woggle. We have to be aware of Swiper the fox for the rest of our time at Wood Badge. If you see Swiper the fox remember to say "Swipper no swipping! Swipper no swipping! Swipper no swipping!", and the fox will not swipe your stuff.

DAY THREE/SUNDAY: "Today is the day the Lord has made, rejoice and be glad in it." Ps 118:24

Bob and White had a nice reverent walk to the chapel at Camp Karankawa. They were instructed in the contents of a chapel service and experienced a BSA style chapel service.

BEAVER PATROL

Today Sunday, We had another exciting day. It was very inspirational. We started with our flag ceremony at Gilwell and then we had service near the lake. We enjoyed watching the pictures and art work by previous Wood Badge graduates! During the day, we played a game, we packed up the tents, evaluated October Sky and finished by participating in retiring the colors. We are looking forward to coming in November!

EAGLE PATROL

We have Arrived! Our troop has made it to the last day of the first week of our Wood Badge adventure. We have made good friends and lasting memories. We look forward to meeting each other again in November and are ready for the next part of our Wood Badge journey.
